I want to personally thank each one of you that have faithfully prayed and sacrificed financially so that the men incarcerated in the Ohio prisons can receive the Gospel. Each one of you have played a major part in the thousand plus souls that were saved this year.

I can hardly believe another year has come and gone. This year has been one of our busiest. In addition to our regular weekly services, God has allowed us to hold many extra services in prisons that we normally did just once a month. Our additional presence in these prisons has afforded us the opportunity to get to know the men a little better and has resulted in an increase in attendance and salvations.

I would like to share an excerpt from a letter we just received from one of our inmates. *"Hello brother and sister in Christ! I have been attending your services every chance I get. I have gotten so much out of the messages. I have been reading my Bible every day and after your service I come back to my cell and read over and over again the written copy of the message that you just preached. Then I look up all the verses that are in your message to get a good and full understanding of what is being said. I just wish you could come in here twice a week, but I know you can't because you go to other prisons too."*

I would like to thank Brother Tim Brant and all those that worked on our brand new "WEB PAGE for the excellent work they did. The web address is: "www.soundwordministries.com". Please check it out and let us know what you think. For those churches that mention us in your web page, please feel free to provide a link from your web sight to ours.

God Bless and have a Merry Christmas.....
