We had a record attendance at Mansfield Correctional yesterday morning with 16 first time visitors and 4 salvations and last night we had a total of 19 men saved at North Central Correctional.

The following picture is of a young man that spent 10 years with us at North Central Correctional. Kevin was recently released from prison and stopped by Gospel Baptist Church on March 8th to give his testimony. Kevin wanted to personally thank all those who had a part in sending SoundWord Ministries into prison with the Gospel of Jesus Christ.

I thought I would also share a letter that we received yesterday from one of our inmates.

Thank you for your faithfulness. Your prayers and support are making a difference in the lives of men that the world has forgotten.

Dear Dan & Nancy,

Thank you for the Bible you so generously gave me. I am doing well in areas of spiritual growth and oftentimes think of the love & care that both of you expressed and demonstrated on Tues nite esp. "Get rid of that stinking thinking" which the Devil tries to manipulate our lives to defeat us.

I just want to say your teaching have made a tremendous impact on my life. Believing God to prosper me has paid off because we are His children as a result of the death & resurrection of His son "we HAVE VICTORY!!"

Love in Him
JOHN O.
